MEMORANDUM TO FILE

TO: File

FROM: Toni Loper, Public Utility Analyst

SUBJECT: In The Matter Of The Application Of Washington Gas Energy Services, Inc. Business For a Certificate to Provide Electric Supply Services Within the State of Delaware (Filed July 15, 2002) - PSC Docket No. 02-225T

---

On July 15, 2002 Washington Gas Energy Services, Inc. ("Company") filed an application with the Delaware Public Service Commission ("Commission") seeking certification as a retail electric supplier in the State of Delaware. The Commission granted an Electric Supplier Certificate ("ESC") to Washington Gas Energy Services on October 15, 2002 by Order No. 6042.

In the application in this instant docket, Washington Gas Energy Services, Inc. is requesting a name change to WGL Energy Services, Inc. ("WGL") to be effective January 15, 2015. The Company included documentation from the Delaware Secretary of State that it is legally authorized and qualified to do business in the State of Delaware.

The Company provided notification of the name change to all existing customers in accordance with 26 *Del. Admin. C.* §3001 (the "Supplier Rules"). It does not appear that the requested name change will affect electric supply service to any of the Delaware customers. The Company's application states that all existing terms and conditions with existing customers will continue in force and effect, without modifications in service.

The Company's request for a name change appears to be reasonable and meets the requirements of Supplier Rules. Staff, therefore, recommends the Commission recognize the name change.
